

Perivolas Boat Tours

The Perivolos Caldera Tour

Explore the caldera and the magnificent seascape of Santorini in the comfort of our private shaded boat. You will visit the astonishing volcanic islands that surround Santorini and Thirasia and swim in the deep blue Santorinian waters.

On board you will be served snacks and beverages and also be provided with towels and snorkelling equipment.

Duration: 3 hours.

A white inflatable boat with a black canopy is on the water. A person is visible in the water to the left. The background is a rocky coastline.

The Perivolos Tour

If you are interested in discovering some beautiful and hidden swimming spots, then look no further! Take this tour and enjoy the comfort of our private shaded boat while exploring the volcanic remains of "Strongili".

Your captain will take you to the red and white beaches where you can enjoy a quiet swim, before heading to a picturesque family owned seaside taverna for lunch.

Duration: 5 hours

The Perivolos Deluxe Tour

Enjoy the scenery and the magical feeling of the Caldera and discover hidden coves for an invigorating swim. Check out the underwater marvels at the Red and White Beach using the snorkeling equipment available on board.

Experience the genuine warmth of Greek hospitality with a private dinner at the Hideaway (subject to availability of the Hideaway).

Duration: 5 hours

The Perivolos Aegean Tour

A full day at sea with our Sunseeker Superhawk 40 and private captain will allow you to explore the Caldera and some nearby islands while enjoying the most beautiful and serene swimming spots.

Having enjoyed lunch and a full day at sea you will be returning to watch the iconic Santorinian sunset from the sea before returning to Ammoudi.

Duration: up to 8 hours

The Perivolos Boat Tours are exclusive to our guests and offer the perfect opportunity to explore the magnificent Aegean Seascape and clear blue waters in the comfort of our private boats and captain. Whether a day excursion to a nearby island or a fun time at sea, you will be able to customize your time at sea along the way, according to your mood and weather conditions.

For all snacks and meals the menu is focused on local delicacies and Mediterranean cuisine, and can be adapted to any dietary requirements and preferences.
